Hi Elizabeth!

Thank you for reaching out!

We have three  
books being challenged and going through the review  
process:

- 

*Lawn Boy Jonathan  
Evison*

- 

*The Bluest Eye Toni  
Morrison*

- 

*Gabi, A Girl In  
Pieces by Isabel Quintero*

We also had the  
following that were challenged and removed by the librarians  
without going through the review process:

-

*All Boys Aren't Blue*  
by George M. Johnson

- *Fun Home: A Family Tragicomic* by Alison Bechdel
- *Heavy: An American Memoir* Kiese Laymon

Let me know if I can help with anything in the future!

Hi Brynne,

This is Elizabeth with Fox 2 News and we recently reported about how Lindbergh School District is conducting a review of whether certain books should be removed from the district's high school library. We're reaching out to other school districts to see if they are doing the same.

Has Wentzville School District received any challenges on books in the district's library within the past two academic years?

I would appreciate any information that you can provide.

Thank you and I look forward to hearing back.
